

About the PHS

The Peterborough Humane Society is a registered charitable organization dependent on public donations. It was established in 1941 and is an Affiliated Society of the Ontario SPCA. We promote responsible pet ownership through community outreach, one-on-one encounters with residents and the use of legal action as the last resort. Approximately 3,000 animals are received at the shelter each year, many of which are lost, injured or abandoned. While in our care they are provided with food, care, shelter and lots of love and attention.
