

Vaccinate  
Your Pet

## YOUR PET AND THE LAW

Pet ownership requires that we accept a number of responsibilities. The City of Peterborough Animal Keeping/Licensing and Regulation By-law addresses dogs running at large, licensing and stoop and scoop.

### Licensing

You carry identification, your pet should too! The By-law requires all dogs to have a current years licence, and to attach that ID tag.

### Stoop and Scoop

Dog faeces of infected dogs may contain parasites and disease causing agents, these can infect another dog. Further, the failure to remove dog excrement from our parks and public areas restricts the enjoyment of these areas by other citizens. The removal of your dogs faeces is easy. When walking your dog simply carry a disposable plastic bag, turn the bag inside out and cup the faeces into the bag. The bag can then be carried home for disposal.

### Leashing Your Pet

Always keep your dog on a leash during your walks. This ensures that you will be able to control your dog and keep it safe. Loose dogs, no matter how friendly often scare and intimidate children at play. The majority of control orders issued to dog owners are a result of dogs off lead, fighting with other dogs.

*Animal Service Officers, will when required to ensure compliance, issue tickets for failure to stoop and scoop, failure to leash and failure to licence your pet as well as other offences. Avoid costly fines and/or court appearances by being a responsible pet owner.*

If you have any questions regarding Animal Services call the shelter at (705) 745-7676

Please also report all Suspected case's of animal cruelty.
